Battisford Village Hall Management Committee

Since the last publication of BARCLIF NEWS we have had two very successful events, one a fund raiser and one a celebration. A 'Night at the Races' was held on 9th April to coincide with the Grand National. There was a buffet supper and licenced bar which helped make the evening a great success. As with any race meeting there are winners and losers but the Village Hall was definitely a winner as we raised just short of £700. A very welcome boost to funds enabling the VHMC to carry out any maintenance or repair work needed to the Hall.

June 11th was the Queens 'official' 90th birthday and to mark the occasion a traditional street party was held at the Village Hall (in the car park) along with the obligatory thunder storm and torrential downpour. Thank you to all those who attended and did not allow the rain to spoil the occasion and , in true British Spirit cleared the car park in record time , clutching plates of cakes and carrying chairs. The event was accompanied by an exhibition inside the Hall (and out of the rain) of photographs and information relating to both the Queen and Battisford through the past 90 years. Grateful thanks go to the History Group for researching and presenting the exhibition which was thoroughly enjoyed by both long standing and more recent residents of the village.

In the last BARCLIF we gave you a date for your diary; on November 26th we are holding a Christmas Ball at Ringshall Village Hall, please look out for further details on posters and the web site soon.

You can find details of all of these events, Hall hire charges, clubs and 'what's on at the Village Hall' by visiting our new website, so why not have a look and see if anything takes your fancy.? If you would like to be more involved with the Village Hall or have any ideas for fund raising events, please contact Alison on 07919888614 or email battisfordvhmc@gmail.com.

Free to a good home or have on loan if you want to give piano lessons a try: an upright W.H.Barnes piano, has to go to make room for alterations. 'Buyer' collects.

BATTISFORD VILLAGE HALL LISTINGS

Monday – Friday during term time Pre-School morning sessions, lunch clubs and afternoon session.

Pre-School contact (07540 645300)

Wednesday: 7.00pm

Snooker Club Night

To Join the Snooker Club contact Brian Smith 01449 775363 or

book a table via Bob Hicks 01449 672765

The **Gardening Club** usually meets on the first Monday of the month - contact Bill Baldry on 01449 672168.

The Hall is available for hire for £15 per hour

Special rates apply for regular bookings - tables are also available for hire on a 24 hour basis.

Contact Sally Winter on 01449 674852 for further details

St Mary' s Church, Battisford

Our Rotation Service on 1st May was taken by Chris Farley.

The weather was fine, and we went outside and asked God to bless the crops in fields, gardens and orchards. In the Churchyard we asked God to bless those who had cared for the land and our Church in past times. Alice Prentice read the lesson and George & Hatti Prentice took the collection.

During the summer Robert Keeble, an architect from Sproughton, is coming to inspect the Church to identify any work that is needed.

Future Timetable:

August 21st: Communion Service led by Revd. Maureen Green

September 10th: Morning prayer.

9am – 5pm Suffolk Historic Churches Cycle Ride.

September 17th : Concert featuring the ILLUMINATI Choir.

September 18th: Holy Communion

September 19th Parochial Church Council, 7pm. If you have any issues to be discussed please contact Pat Knock 01449 775310

October 2nd: Harvest Thanksgiving Please bring harvest produce and also food to donate to Stowmarket Food Bank

All services start at 11.15am

Battisford & District Cricket Club

The summer is well and truly back (despite the usual downpour here and there!) at Battisford and District Cricket Club. This is my first year as Chairman of the club and I have been delighted to take the reins at such a friendly, welcoming and well supported club.

During the close season, a number of dedicated volunteers have helped us to freshen up our already great facilities, so that those on the pitch activities can be focused on doing what we do best, which is playing hard and having fun! We have been lucky enough to receive a number of grants and these, along with some very generous donations have enabled us to improve facilities further and purchase some well needed covers. This will enable us to keep the wicket in prime condition and mean that we can utilise the facilities more often, when the weather tries to defeat us. I urge you all to come and see us, check out the ground and the environment that is created and join us in our passion for keeping cricket at the center of our community.

Our teams at all levels are enjoying success. Both the Saturday and Sunday 1st teams remain unbeaten and the Sunday 2nds are holding their own in Division 4, having won three from five. We have had some excellent team and individual performances, including two centuries against Hadleigh for the Sunday 2nds, where Harvey Skinner also took 4 wickets with 4 balls!

Our junior and ladies teams also continue to progress and these teams form the life-blood of the club. In addition, our excellent coaches work tirelessly to develop player skills, teamwork and new friendships – all in the best traditions of the club.

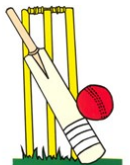

We have a number of social events throughout the year which range from our ever popular quiz nights, to “golf around the gardens” (a great way to meet people in the area), to our excellent Vice Presidents Luncheon in August, where we take the opportunity to thank those in the community who kindly make donations to help us progress the club. Please look out for the posters and advertisements for these events – you are very welcome to join us!

We are always on the lookout for new players at all levels, so no matter whether you are a beginner or a seasoned player, looking to join a club which will give you both playing and social opportunities, we would be delighted to see you.

Until the next time, I would just like to thank all those who continue to give of their time and financial support to us – we are so very grateful to you all.

Ian Pepper

Chairman BDCC

I hope that you enjoyed our Show at the Combs Fete, the exhibits that were on display and also all the other activities that the Fete has to offer.

Straight after the Show and Fete we have Alan Seager, Chairman of the Suffolk Beekeeper's Association, coming back to give us another talk about bees. His last talk was very well received and he will be back at Battisford Community Centre on **Monday 4th July** 7.30pm. Everyone welcome.

August is the time for the club BBQ, this year hosted by Paul and Ruth Hansord and then on **Monday 5th September** - Battisford Community Centre 7.30pm - we have Maggie Thorpe, President of the Suffolk group of Plant Heritage, coming to give us a talk about Suffolk plant collections.

Sunday 11th September is Battisford Garage Trail day and we will be having a plant stall at the Punchbowl. If you have any plants that you would like to donate to our stall please contact Bill Baldry 01449 672168.

Monday 5th October is our AGM when another very successful year will be reviewed, and a full and varied programme of events for the year ahead discussed.

New members and guests are welcome at all our meetings. For more details contact Bill Baldry on 01449 672168 or visit our website www.battisfordgardeningclub.org

A French Tradition comes to Onehouse

Reverend Rachel Cornish

On the last day of May, in half term week, we began a small adventure in Onehouse. We began to make a Santon. We were led by Peta Whiting who has her own Pottery locally and is well known in her field. She provided the plaster moulds, clay and all that we needed. During the morning we made nearly 100 items including numerous small figures and larger things such as a bridge, house and stable.

What is a Santon? In simple terms it is a crib scene from the Provençal region of France. It is thought that the idea dates back to the French Revolution. Despite religious items being forbidden at that time, each village and home wanted a nativity scene at Christmas and the tradition grew up of making small figures and setting the whole scene in the mountain villages. Often there would be a Santonniere in the village who kept the moulds and oversaw the crib each year.

The figures in the scene are generally common to all Santons. As well as the obvious – Mary, Joseph, baby Jesus, the Kings and some animals, there are all the members of the village and each character has a story. Some bring problems such as Simon the blind man led by his son, who has his sight restored when his tears fall on the face of baby Jesus. There is an old couple who bring a plea that they might both die on the same day. Some are sinners such as the fishmonger who confesses her scales are fixed and the woman who beats her donkey and who is told to walk home leading it patiently. Many bring gifts such as fish, bread and firewood and some are given unexpected gifts such as the miller whose mill broke down.

The figures are very delicate. Although ours will be fired, the older tradition was not to fire them, such that in the past, each year the figures needed to be checked and often repaired and renewed. In the tradition of the Santons, this symbolises our own frailty and regular need of care and attention if we are to be able to function fully and to God's glory in this beautiful world in which we live.

As each person in the crib scene approaches the baby Jesus – gifts, joys, sorrows, repentance and foolishness all gather around the manger. Very much like us, these figures represent the various aspects of each of our characters and symbolically we bring the good and the bad and together offer them to Christ. As is the life in any village and not just at Christmas, we find joy and sadness, we find sickness and health, we find birth and death: and we are able to offer ourselves and all that we are as a community in order to receive the healing touch of Christ.

We plan to meet again at the start and end of the summer holidays to make some more clay figures, to paint the ones already made and eventually the scene will be displayed at the Grundisborough Crib Fair in November before coming back to Onehouse.

Combs Parish Church

Briefly – There is much going on..

Work will soon start on stabilising the Western wall at **Lt Finborough** church. By the winter **Combs** aisles should have their new rooves and all essential work completed. People have been most generous in their support, particularly to the innovative Tweed Cycle Ride organised by Joe Whitehead which raised over £2,000. Thanks you to all and to the smaller donors.

It is likely that 5 people from Combs will be **Confirmed** on 11th September by Bishop Martin.

We are very proud to have the Bishop open our **Church School, Trinity** - the first in the Diocese for over 40 years' It continues to grow with, 41 pupils now and another 30 expected in September. The facilities are fantastic. In Combs we are very fortunate to have 2 excellent schools and I value my involvement with them both. Conducting a 'wedding' with the early years children at **Combs Ford Primary** was challenging and uplifting, just as engaging them all in the church on their visits keeps us all grounded in what we are doing and why.

Rachel and I are available for pastoral issues and of course the usual's of Baptisms Weddings and Funerals. WE look forward to seeing you at the village Fete once again

Reverend Chris

Combs Rectory 01449 673280 – follow us on FACEBOOK and of course the church website: www.stmaryscombs.co.uk

Battisford Preschool : Where Learning Is Fun !

Battisford Preschool are travelling the world this half term with our topic of the continents. We have tried different foods, looked at costumes from other countries, drawn maps and created our own flags. We have also had successful outings to Needham Lake, where we went on a bug hunt, played pooh sticks and built dens and to Hollow Trees Farm where we fed a variety of farm animals and explored the farm trail. We were lucky to have sunny warm days for those visits too.

The preschool is currently very busy with only a few spaces left for any additional children wishing to join the group so if you are interested in a space for your child in September, please contact us as soon as possible.

At Battisford Preschool we pride ourselves on providing a safe stimulating environment where children can learn through play. We currently have limited vacancies for children aged 2 -5 years so please get in touch for further information or to register your child on the waiting list.

Battisford Preschool is an Ofsted registered provision taking children from 2 -5 years. We are able to offer free places for 3 and 4 year olds.

We operate Monday - Friday during term time offering morning sessions, lunch clubs and afternoon sessions.

For more information telephone Jo Rainbird - 01449 612289 or 07540 645300.

(there is funding available for some 2 year olds dependent on your circumstances so please enquire for further information)

Stay n Play Fridays continue to be popular and are open to all under 5's accompanied by their parent/carer. Sessions run during term time from 9.30 til 11. This is a wonderful opportunity to see how the playgroup runs and for children to experience many of the activities that we have to offer such as role play, arts and crafts, snack time, story and song time. There is no need to book, just come along for £1.50 per child.

Future Fundraising Events for your Diary :

2nd July - Come and see us at Combs Fete

9th July - Family Summer disco and bbq from 5.15 til 8pm.

Please phone for tickets.

Keep watching the village notice boards for more information or contact Elaine on 07939037278

Battisford Green Play Area

Over the past 8 months the Battisford Play Area Committee having been meeting regularly to discuss ideas, fund raise & apply for grants, to enable us to generate enough funding to allow us to purchase additional equipment for the children's play area.

I'm pleased to report that; with your help, we have surpassed our expectations at this stage. We have received continuous support through sponsorship, local grants and generous donations made by members of the community. We were also very fortunate to come second in the Tesco community project scheme, which has given us a very welcome boost of £10,000 towards our funding. A big Thank you to everyone who helped support this.

We have recently met with suppliers and have agreed which equipment is going to be purchased. We have tried to ensure we have a good mixture of equipment which will provide something for all age groups.

This project is now underway, (hopefully the installation won't take long and cause too much disruption) and we're hoping the equipment will be installed and available to use by the summer.

To celebrate this we will be looking to hold an open day. Further information will be available nearer the time.

This doesn't mean we're finished!

We will be continuing to raise funds so we can provide further equipment and help maintain the equipment which is already there.

We hope your families will enjoy what we have done so far, and thank you once again for your support.

Kind Regards,

Battisford Play Area Committee

Battisford Local History Group.

We are a very small, informal group, meeting to provide displays about Battisford and research various topics about the history of the village. Perhaps you saw the display of Battisford from 1926 to 2016 at the Queen's 90th birthday tea at the village hall on 11th June and you would like to add your knowledge or ideas.? If you would like to join us, please contact Anthea Howard 675161, (anthej@btinternet.com)Jane Pope 615541 (jdspope@gmail.com)or Denis Wicking 770980. (deniswicking@me.com

IN 2018 WE WOULD LIKE TO MARK THE CENTENARY OF END OF WW1 WITH STORIES OF THE MEN OF BATTISFORD WHO FOUGHT IN WW1 AND RETURNED HOME.

If you are aware of anyone who we could include in our story please let us know. You do not have to know any details we will do the research. Contact one of the people above with any information or ideas

Thank you

BATTISFORD HOUSING NEEDS SURVEY

The Parish Council have been conciernd that Battisford remains a vibrant village and, in an effort to fully understand the needs of our community we would like to give residents the opportunity to engage in the process of identifying potential housing needs, both presently, and in the future.

We are now in the process of devising a questionnaire which will be delivered to each household, in September. The questionnaire will be delivered by a Parish Councillor, who will identify themselves, and the questionnaire will be picked up (in an envelope which will be provided) by a Parish Councillor about 10/14 days later.

Since this document could assist in meeting existing families,' or their relatives', housing requirements in the village we would encourage all residents to take part in this information gathering.

Further information will accompany the questionnaire when delivered.

TWEED CYCLE RACE for COMBS CHURCH ROOF

Straw boaters, shooting breeks, flat caps and black culottes, we had the lot. On Saturday April 23rd, in a flashback to a less polluted age, a colourful company of antique cyclists held dominion over eighteen and a half miles of mid-Suffolk lanes. As take-overs go it was a civilised affair – some stopped for a quick picnic not long after pedalling the first mile.

The inspiration for their unhurried invasion of country lanes was the realisation that, although in our 21st century lives we may have lost something, even with a very little effort it can be reclaimed.

That's a hopeful conclusion as St Mary's, Combs, the beneficiary of this nostalgic journeying, has lost something more substantial. There's nothing abstract about five tonnes of lead sheet roofing, nor the staggering £80,000 it will cost to replace it.

For a few less seasoned cyclists, it seemed that the missing lead had found its way into their bicycle seats. They discovered the restorative quality of ale of the Six Bells pub, Preston St Mary, to be most welcome.

After the half-way stop, all returned 'elated' to the Punch Bowl, Battisford. There the talented jazz guitar duo of Danny Hughes and Harry Greene kindled for some the atmosphere of the Hot Club de Paris. That vision was made more tangible by the Punch Bowl's French chef who gave us the hot soup de Paris, and, er, les oeufs d'Ecosse.

Among the riders, there were notable performances from George Prentice (aged six) who pedalled enthusiastically from start to finish putting many an older rider to shame, Sam Jackson, 1930s Rudge cycle (winner best turned out lady), Jason Bullard, antique trade bike complete with bread rolls (best turned out gentleman), JP Whitehead, 1950s Triumph ladies model (most extravagant horn), Aaron Durrant, vintage Hercules path racer (greatest combined age of cycle and rider), Will Vaughan-France, modern (greatest distance cycled to the event), and Glen Smith modern, and Steve Hammond, BSA, (conspicuous gallantry en route).

The total raised through this most genteel of events was slightly over £2,000.

The organisers wish to alert energetic readers that the next vintage event is likely to involve 'running', with or without four legged friends, on a circuit in Combs.... further information will shortly emerge.

Joe Whitehead

They set off into the unknown

The youngest participant didn't do a lot of peddling!

Punch Bowl Community Inn

Regular Favourites and Special Fun every month

First Sunday – *The “Harry Greene Trio” – monthly jazz at the Bowl featuring local talent Harry Greene on Sax and Guitar – Suffolk Jazz at its very, very best.*

Second Monday – Tea and a Chat: An afternoon of good company, tea/coffee and “nibbles” to help it down!!! Open to all in the community.

And that’s not all! – it’s also Spice Night

Treat yourself to our traditionally made Indian curries and enjoy Indian cuisine right here in Battsiford

Second Tuesday – Quiz Night: Teams of 4 - £3 per person and cash prizes. Hot snacks available.

Third Tuesday– Acoustic Night: Open to all who they strum, blow, squeeze or sing – or just listen

love music, whether and enjoy!

Sunday 19th June – Father’s Day:

Come on kids! Treat Dad, or Grandad (or Great Grandad!) to a well-earned drink and Sunday Lunch.

Saturday 30th July – Moroccan Night: Desert, Sea and Spice

All Weekend 19-21 August – 5th Annual Beer Fest – Great Beer and Cider, LIVE Music every day entertainment

Saturday 27th August– Provençal Food: Tastes of the Sea and the Mountains

Being planned : Seafood Night in September, Childrens’ Day in July

Keep up to date with events at the Inn: www.punchbowlbattsiford.co.uk

Battisford Parish Council Update

Following pressure from the Parish Council, Suffolk County Council have finally installed new drains in Straight Road and Bowl Road. Whilst there has been some inconvenience to residents it is hoped that the new works will solve the surface flooding problems which have occurred in the past.

Following the Parish Council investigating the possibility of court action against both the County Council and BT, the latter are now at the start of the process of installing fibre optic from the Stowmarket Exchange to the village. Preliminary survey work of ducting has already taken place and plans drawn up for where the cables will go.

It is understood that BT will also be offering "fibre to the house" from the new cables but whether this will be at cost to householders or supplied by BT is not presently known. Either way, the work will improve both Broadband speeds and the telephone service as it will replace the old copper cables.

Unfortunately residents in Church Road, Valley Road and Hascott Hill will not benefit from this upgrade as they are served by the Needham Market Exchange, which is due to be upgraded next year. The PC will, however, keep pressurising so that all villagers obtain an improved service. The PC is very grateful to Ben Skinner for his assistance in getting this work underway and for his constant updates on progress.

The PC also set up a sub group of younger residents, under the Chairmanship of Jonathan Pope, to look at improving the play equipment on the Village Green. We congratulate them as, included in the money they have raised, is a grant of £10,000 from Tesco's from the "plastic bag levy" and this, along with other money promised, will go towards new play equipment.

The village has also purchased a defibrillator which will be installed in the now defunct phone box opposite the Free Church which the PC has now taken over from BT. We have also now been advised that BT are willing for us to also take over the phone box at the other end of Straight Road and a defibrillator will also be installed there, as soon as funding is in place. Training has been given in its use and the first defibrillator will soon be installed.

Lastly the PC is aware that whilst Battisford is a safe place to live there have been thefts in surrounding villages and, indeed, we have had some vandalism on the village green where a tree was partially sawn down and the gates to the car park sawn through (hence the new metal gate). Since a police presence is rare, and they no longer support "neighbourhood watch", can we suggest that villagers keep an open eye for any odd behaviour and watch neighbours houses whilst they are away so that we remain in a safe environment.

MP Jo Churchill visits Orchard Barn

On the last Friday of May the sun shone and the birds sang. It was a great day for a VIP visit to Orchard Barn and we were delighted to show MP Jo Churchill the work of over 1600 trainees and volunteers. Jo was with us for an hour and a half during which time we were able to show her the progress we are making constructing our new craft room using local trees in the round.

Jo had a go at using a draw knife to make a peg for use in the new craft room and watched as Calvin debarked an elm log in preparation for use as a roof rafter in the new craft room.

We were able to show Jo some of the benches we've made using green wood. The back of this bench is a piece of Cherry Plum from our orchard.

The visit was attended by parish councillors from four adjacent parishes and thirty volunteers and trainees. It was a great way to mark the success of the project and discuss plans to expand the range of traditional and natural building courses we offer. As a reminder of our slow and sustainable building project we gave Jo a snail paperweight (made by OBee Volunteers from slate and hazel).

Thank-you for visiting Jo, it was a pleasure to meet you.

Visitors welcome any Wednesday (other days by prior arrangement), we are SW of Mill Road,

Please send your articles, photos and any other contributions for
